

Kodak i1300 Plus Series Scanners Software Release Notes

Version CD 4.04 Summary

Purpose of Release: This is a CPE release of drivers for the Kodak i1300 Plus Series Scanners.

Note: When installing a Kodak i1300 Plus scanner on a host PC for the first time the Full Install CD (shipped with the scanner) must be used. If the InstallSoftware_v4.04.exe driver installer is used for a new installation the Kodak Smart Touch application will not be installed. The InstallSoftware_v4.04.exe may be used to update a host PC that used an Install CD Version 1.x or higher for its first install.
